SYNOPSIS

Additional funds are needed in the professional services line item to pay the City's share (50%) of a study to be undertaken jointly with the County to survey origins of present park facility uses (in-city vs. out-of city). The \$ 22,500 appropriation in the consulting services line appropriates a \$ 15,000 UPARR Grant plus \$ 7,500 match money from Indiana University to be added to the \$ 7,500 local match currently budgeted in the Parks and Recreation Budget for a long-range use and management plan for Lake Griffy. An additional \$ 27,154 was granted for renovation of Bryan Pool bringing the total federal contribution to \$ 45,000. The \$ 27,154 plus an additional \$ 846.00 from the Parks and Recreation fund operating balance brings the total pool renovation appropriation to \$ 278,000 consistent with the lowest bid.
